

KITFRAME FLEXI

Now a height-adjustable worktop is not only a valuable help in everyday life – it can also be elegant!!

Which kitchen colour do you want? Note the elegant covers hiding the height-adjustable legs. The covers are available in different colours!

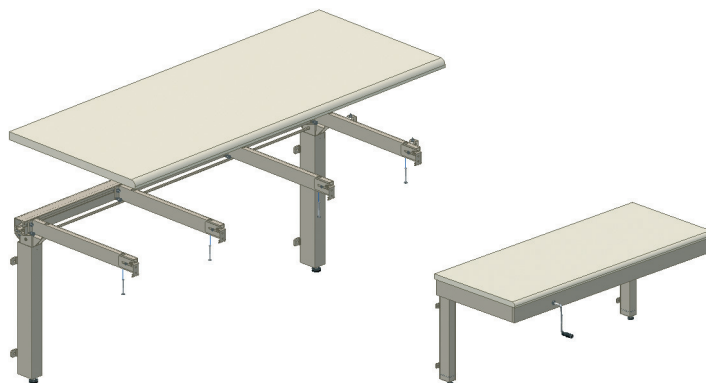

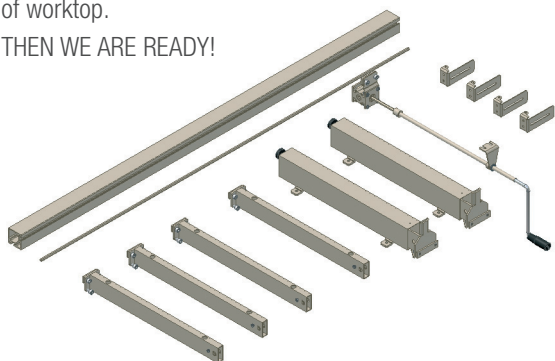

The new KitFrame Flexi has full leg room up to the wall, whereby a good and comfortable working posture will be obtained.

KITFRAME FLEXI

The ONLY Flexible Kitchen Frame System. From idea to reality in a few days.

START

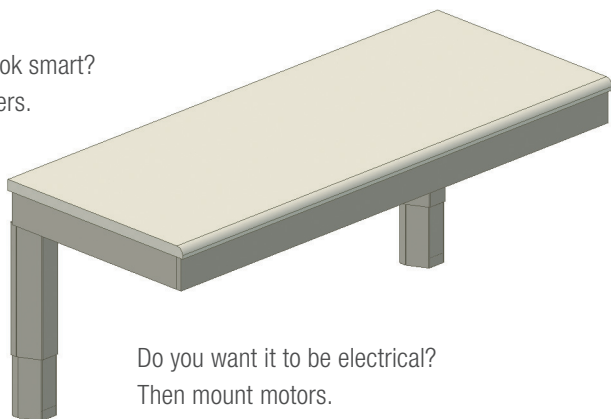

Measure – and order.
Define length and depth
of worktop.
THEN WE ARE READY!

That's how FLEXI looks!
Components, which may
be easily assembled.

Take the required parts from your
stock – or have a new system from
us in a few days – AND ASSEMBLE
It takes only a few minutes.

Do you want it to look smart?
Then fit design covers.

Do you want it to be electrical?
Then mount motors.
THEY ARE NOT VISIBLE!!

Do you have a weak wall?
Then mount extra supporting feet.
